Dear Mr. ~~Rothblatt~~<sup>STEVE</sup>:

We have reviewed the draft delegation of authority for the NSPS and NESHAPS. Attached you will find our version of the delegation. There are two format changes in our revision of the delegations.

First, the NSPS and NESHAPS are separated into two distinct delegations. We believe that this change allows for more efficient management of the two programs if each operates under individual delegations. Second, instead of a letter, the delegation is an independent document signed by the Regional Administrator.

There are no other substantive changes in the draft provide to Ohio. If you have any questions on this matter, please contact Robert Hodanbosi at 614-466-6116.

Sincerely,

A handwritten signature in black ink, appearing to read "Charles M. Taylor", is written over the word "Sincerely,".

Charles M. Taylor, Chief  
Division of Air Pollution Control
