

## Directions for Mailing Postcards

Print on postcard paper that conforms to postal regulations:

	Minimum	Maximum
Length	5 inches	6 inches
Height	3-1/2 inches	4-1/4 inches
Thickness	0.007 inch	0.016 inch

Do not round corners of cut cards.

Refer to the latest postal guidelines: <https://pe.usps.com/text/qsg300/Q201.htm#ep1028088>

### Hand stamped postcards

Affix a stamp in the top right corner, next to Sam

Customize addresses as needed in the editable box in the white panel

Feel free to add your URL, a note offering a discount or other content in the grass by adding a text box in Adobe PDF Reader. Do not add text below the grass into the white space, that is required for a barcode that the Post Office will attach.

***Do NOT add non-address content (URL's, discounts etc.) in the white panel.***
