

THE DRINKING WATER STATE REVOLVING FUND

Protecting America's Public Health for Over 20 Years

HOW IT WORKS

EPA funds state DWSRFs each year and states provide a **20%** match

Loan Terms:
Up to **30 years**

(for disadvantaged communities: 40 years or design life of project, whichever is less).

Repayments begin up to **18 months** after project completion

For every **\$1** from federal government, **\$2.17** has gone to help communities

WHO HAS DWSRFs?

WHO IS ELIGIBLE?

Publicly or privately owned community water systems

Non-profit non-community water systems

WHAT TYPES OF PROJECTS?

- Drinking Water Treatment
- Pipe Installation/Replacement
