

# Red Hill Community Representation Initiative Informational & Scoping Meeting Agenda

*Thursday, July 27, 2023  
5:00 PM to 7:00 PM HST*

## Purpose

Provide an opportunity for community representatives to begin identifying how to stand up a Community Representation Initiative, including the nomination and confirmation process. The Community Representation Initiative group will review Red Hill information and provide input related to defueling, closure, and drinking water protection. Aspects of defueling, closure, and drinking water protection are described in the 2023 Consent Order.

## 5:00 pm Welcome from EPA, Navy

- Amy Miller, Director, Enforcement and Compliance Assurance Division, EPA Region 9
- Karnig Ohannessian, Deputy Assistant Secretary of the Navy for Environment and Mission Readiness, United States Navy

## Overview of the Meeting, Facilitator

- Betsy Daniels, Independent Facilitator

## 5:15 pm EPA provides an overview of their role in the implementation of the Order

- Andrew Zellinger, Enforcement and Compliance Assurance Division, EPA Region 9
- Grant Scavello, Red Hill Project Coordinator, EPA Region 9

## 5:45 pm World Café Questions

- Betsy Daniels, Independent Facilitator
  - What types of representatives should be holding each seat on the Community Representation Initiative? (For example, representatives of the Native Hawaiian Community, seniors, schools, small business, others?)
  - What should prospective Community Representation Initiative members demonstrate they have? (For example, they have lived in the community for a certain period of time, demonstrated ability to work collaboratively, others?)
  - What type of independent technical experts should be made available to advise the CRI? (For example, a drinking water scientist)
  - Should Community Based Organizations be represented with seats on the Community Representation Initiative? And if so, which organizations would be represented? (Non-profit organizations, advocacy groups that provide services or community organizing in the affected area)
  - How should candidates be nominated and confirmed? (For example, voting or some demonstration of support from the community)

6:30 pm Overview of Key Themes/Responses

- Betsy Daniels, Independent Facilitator

6:40 pm Q&A

- Betsy Daniels, Independent Facilitator
- Amy Miller, Director, Enforcement and Compliance Assurance Division, EPA Region 9
