

## How to Report Drinking-Water Emergencies in the Metro East Area

U.S. EPA, Illinois EPA, and water suppliers work together to ensure that all residents of the Metro East area have safe, clean drinking water. Water suppliers must treat water according to standards and test water frequently for contaminants. All suppliers must notify consumers quickly when there is a serious problem with water quality. Consult your water bill to determine who supplies your water.

## Who to call to report an emergency:

8	Cahokia Heights Public Water System	8	Illinois American Water Public Water System	8	Illinois EPA	8	U.S. EPA
<b>6</b> 9	618-398-9415	<b>6</b> 2	800-422-2782	<b>6</b> 9	618-993-7200	<b>6</b> 2	800-426-4791
()	24/7		24/7	()	Tuesday – Friday 7 a.m. – 5 p.m.	()	Monday – Friday 8 a.m. – 3 p.m.

## For public health questions:
